I hereby release, discharge, and covenant not to sue PizZaZzles, LLC, its affiliates and its management, its respective administrators, directors, agents, officers, volunteers, and employees, other participants, and sponsors, advertisers, and if applicable, owners and lessors of premises on which the Activity takes place, (each considered one of the "RELEASEES" herein) from all liability, claims, demands, losses, or damages, on my account caused or alleged to be caused in whole or in part by the negligence of the "releasees" or otherwise, including negligent rescue operations and future agree that if, despite this release, waiver of liability, and assumption of risk, I, or anyone on my behalf, makes a claim against any of the Releasees, I will indemnify, save, and hold harmless each of the Releasees from any loss, liability, damage, or cost, which any may incur as the result of such claim.

Thank you for choosing PizZaZzles! By submitting your deposit you are agreeing to the following policies.

- A \$100 deposit is required to secure your event date and time. Deposits are not refundable within 30 days of your event. If your event requires rescheduling due to some unforeseen circumstance, we will be happy to reschedule within three months of your original booking. We kindly ask that you work with us on availability. A \$50 rescheduling fee will apply. Parties that are requested to be rescheduled within seven days of the scheduled date will be invoiced based on your provided final count of your original date plus any additional attendees. For example, you have a party scheduled for Saturday with a confirmed headcount of 32, on Thursday you decide you need to reschedule. You will be charged for 32 participants even if only 29 are able to attend on the rescheduled date. Likewise, if 34 are able to attend on the rescheduled date, you will be charged for 34 participants.
- We do not guarantee our availability for rain dates. Please inquire should you feel a rain date is necessary for your event.
- All parties require at least 15 minutes of setup time and at least 15 minutes of cleanup time. Some events may require more. We will be happy to discuss this with you. There is no additional cost for events that require more setup or cleanup time.
- Creative assistants ensure that your event runs smoothly and that we are able to provide you with the best experience possible. All packages include assistants for the number of children the package includes. When additional children are added, so are the number of assistants. We have strict guidelines for the number of assistants a party /event will require. There will be an additional \$75 charge for each assistant required over what the package includes. For parties of 1-12 children a minimum of 1 creative assistant is required, 13-15 children require a minimum of 2 creative assistants, 16-20 children require a minimum of 3 creative assistants, 21-30 require a minimum of 4 creative assistants. For parties larger than 30 children, please inquire. Additional assistants are always available upon request and are recommended for younger crowds. Staffing is at our discretion based on the level of activity your event includes.
- We serve a 20 mile radius of Yorktown, New York including Westchester, Putnam, Dutchess, Orange and Rockland counties in New York, as well as parts of Connecticut and New Jersey. For requests outside of our coverage area a minimum \$50 travel fee may apply. Please inquire. Parking costs and tolls when required, will be added to your cost.
- **A final headcount is due 7 days before your scheduled event. Please keep this in mind when sending out your invitations. We only bring what we need so if you are on the fence about whether or not a child will attend it is best to include him or her in the final count. The final count is what you are financially responsible for. Due to the nature of our services and the preparation required for each event we are regretfully unable to accommodate guests that just "show up." Similarly, we are unable to remove charges for guests that were included in the final count and do not show up or choose not to participate.**
- Final payment must be received at least 2 days before your event unless other arrangements have been agreed upon.
- All parties with music options may include, but are not limited to, loud sounds, colored lights, strobe lights, fog machines, bubbles, confetti cannons and more. We do, however, keep the age of the audience in mind. Access to a 3-prong electrical outlet is required within five feet of setup area. A level, shaded and dry area is mandatory to operate equipment safely. We have the right to not operate equipment should we determine conditions be unsafe. A refund will not be provided under these circumstances.
- Tables for art are not provided or included in the pricing. Each child attending will require a minimum of 1 square foot of table space for our standard projects. For example, a party of 12 children, two standard 6-foot tables are needed. If you have chosen to upgrade your art project please inquire about space requirements. We do have tables available, for art use only, upon request and for a rental fee of \$7 per table. Chairs are not always encouraged for art. We will help you determine the best and safest option for your event. In many scenarios, art is set up during the transition period. For this reason, tables are needed for art use only.
- We only provide purple, yellow or turquoise table covers for six-foot rectangular tables. If you wish to purchase other colors, themes or shapes on your own, just kindly let us know. The event price remains the same either way.

- All face paints are hypoallergenic and FDA approved. All cosmetic adhesive is latex-free and FDA approved. All glitters are non-metallic and cosmetic grade. While it is unlikely that a child will have a reaction, it is always possible. Please be aware of this. We will happily provide small test patches upon request. It is not recommended that children under one year of age have paint applied to their faces. Additionally, all brushes and tools are sterilized with an alcohol based brush sanitizer after each event. Brushes are periodically sterilized throughout an event as well. Children that are sick, have rashes, open sores, wounds, etc. will be unable to participate in face paint or sparkle tattoo application. However, we will happily provide the child with a sticker or a stamp, whichever is available. Face painting for larger parties will take longer than for smaller parties. Therefore, large parties may be subject to design restrictions due to time constraints.
- Gratuities are not included in our pricing but are very much appreciated. Suggested tip is anywhere from \$15-\$25 per team member. If you wish to add gratuity to your payment prior to your event, you may do so by increasing the amount of payment you remit.
- Please be advised that all events are photographed or video recorded by staff and/or professional photographer for marketing. Your agreement to these policies also serves as a photo release.
- A liability waiver is required for all parties and or events and will be provided to you at the time of booking.
- When we arrive we require the most direct and simple access to the location of your event in order to carry in and setup equipment. We are not responsible for delays that result should, for example, we are unable to squeeze our equipment through rows of parked cars in your driveway. Kindly let us know if there are stairs, unlevelled terrain or other obstacles, including access to parking.
- All parties include a fifteen-minute transition period. This time is best utilized for the kids to eat, grab a snack or a drink. If your event exceeds the contracted time there is a \$180 charge for each thirty minutes and must be paid at the time your event ends. For example, you decide you would like an extended amount of time for the kids to eat during our transition period or have another activity planned during the time we are scheduled. We will happily explain this further upon your inquiry.
- Art masterpiece choices should be decided at time of booking. We love working with you to decide on the perfect project!
- Siblings of invited guests are welcome to join in on the DJ music portion of our events, face painting, and sparkle tattoo application. The cost will be \$8 per child and must be paid in advance. Siblings are not to participate in the art masterpiece portion of the event unless they are included in the final count.
- Children 3 and under must have a caregiver present. This means you should expect for the caregiver to remain for the duration of the event. We encourage caregiver(s) to participate in music and art, but find it more enjoyable for the kids if they are given a chance to work independently of their caregiver(s), at least for a small amount of time. This also makes it easier for our creative team to successfully work through the art masterpiece projects. We do understand that this is not always possible.
- We have the right to cancel an event in cases of extreme inclement weather. There will be no charge to reschedule under these circumstances.
- Some party packages include a choice between face paint or sparkle tattoo application. Your preference should be noted on the contract (waiver form). We will make all efforts to accommodate your preference.
- Prices are subject to change.
- Orders for custom or personalized gifts or favors require at least a week to create.
- We will happily provide you with a certificate of insurance upon request.
