The final count is what you are financially responsible for. Once a final headcount is given, we are unable to reduce that number. We may be able to add on participants if time and supplies allow. Due to the nature of our services and the preparation required for each event we are regrettably unable to accommodate guests that just “show up.” Similarly, we are unable to remove charges for guests that were included in the final count and do not show up or choose not to participate. Please ensure you bring all supplies you require: scotch or painter's tape, scissors, ribbon, weights, etc. Duct tape, glue, stickers and any permanent based adhesive will not be allowed. If you would like a PizZaZzles squad member to assist you in decorating, kindly let us know in advance so that we can ensure availability. We ask that all decoration be removed and taken with you promptly at the end of your event. Additionally, please remove all tape that may be left behind from decorating. We do not provide decorations in our packages, but are happy to refer you to vendors we often work with.
- Children 3 and under must have a caregiver present at all times. This means you should expect for the caregiver to remain for the duration of the event. We encourage caregiver(s) to participate in music and art, but find it more enjoyable for the kids if they are given a chance to work independently of their caregiver(s), at least for a small amount of time. This also makes it easier for our creative team to successfully work through the art masterpiece projects. We do understand that this is not always possible.
- We have the right to cancel an event in cases of extreme inclement weather or sickness. There will be no charge to reschedule under these circumstances and your original deposit will be transferred to the new date. An updated contract will be required. ## **FAQ's**

**Here are answers to our most frequently asked questions. Always feel free to reach out to us if you have a question. We are here to help.**

### **Is a deposit required to book my party?**

Yes. We require a non-refundable \$150 deposit to secure your date and time. Deposits cannot be accepted without a completed and signed contract.

### **Can I bring in my own decorations?**

Yes! While our space is vibrant and colorful, you are free to bring in decorations too. You will have only twenty minutes prior to your scheduled time to decorate as you wish. Popular decorations families have chosen to bring in are themed table covers, balloons, centerpieces, pictures, themed paper goods, and banners. There is no charge to bring in your own decor. You can absolutely drop off decorations prior to your event. We suggest bringing them in when you make the final payment two days prior to your party. Your belongings will be tagged and stored with other items the squad has prepared for your event. If you are using an outside vendor for decorations, a certificate of insurance must be provided prior to your event naming PizZaZzles as additionally insured. If your vendor requires more than twenty minutes to set up, an additional thirty minutes can be added (pending our schedule) for \$145.

### **Are goody bags included?**

Goody bags are not included in any of our packages. You are welcome to bring in your own party favors, just keep in mind kids will all bring home their art work or creations along with any prizes the Party Squad hands out (Purple and Yellow Packages).

### **Can I bring in a cake?**

Yes. You may bring in a cake. There is a \$25 fee to do so. All packages already include a Great American Cookie Cake. If you choose to bring in your own cake, please also bring in appropriate paper goods.

### **What happens in cases of incimate weather?**

If the weather is forecasted to be dangerous, we will decide two days prior to your scheduled date as whether or not to move forward. If it is agreed it is too dangerous to host the event, the balance of your party will be charged and the credit applied to the newly agreed upon date. The party must be executed within three months of the originally contracted date or the credit is forfeited.

### **My child has an allergy. Do you offer allergy friendly options?**

We patronize Frankie & Augiez for food services. The restaurant does offer both a gluten free and dairy free pizza. The cookie cake is provided by Great American Cookie. Please contact each of these vendors if you have questions or concerns about allergies. We highly recommend bringing in a meal and dessert for you child that you know is safe for them if they have an allergy.

### **Why do you not allow shoes in your venue?**

Shoes carry over 421,000 units of bacteria! We take pride in keeping our venue clean. Our studio is our home where your kids crawl, run, roll and dance all over. Adult shoes are just as susceptible to carrying bacteria as kids shoes. Shoes also damage our equipment. Shoes may be left outside our studio in our entryway. Any guest refusing to remove shoes will not be permitted entry to our studio. We highly encourage grippy socks when in our studio. We do not sell nor provide socks, so please come prepared.

### **When is the final balance due for my party?**

The final balance is due two days before your event. We will automatically charge your card on file unless another form of payment is received. This includes cash, money order or check payments.

### **Is gratuity included?**

Twenty percent gratuity is automatically added to your total final invoice in the form of a service fee. This amount is not negotiable. If you wish to add to this amount kindly let us know. The Party Squad is vital to the success of your event and they give every event their all before during and after your event.

### **Are strollers permitted inside the venue?**

Strollers are permitted, but we ask that they be left in the front of the studio. Not only are the wheels dirty, they become a hazard during an event.

**What if I need to cancel or reschedule my party?**

All deposits are non refundable and non transferable. If you cancel your event within thirty days of your scheduled date, you will be charged the balance of your event as indicated on your original contract. You will not incur a service charge fro gratuity. If you wish to reschedule your event, a new deposit and contract must be submitted.

**Are siblings allowed to come?**

Siblings are allowed to come. If you wish they be included in the final count they will be counted for food and the art experience. Children that are present and utilize our facility and participate in all but the art experience are \$15.00 each. This fee will apply to non-stroller bound children. It is sometimes difficult to predict how many siblings or extra children may be present.

**Do travel parties include food, decorations and tables?**

When we travel to you, we are solely entertainment. Food, decorations, venue and electric are the responsibility of the host. Tables for art experience use only are not included. You may rent tables for art only from us for 10.00 each. We will bring them in, set them up and break them down.

**Do you offer invitations?**

If you would like a personalized digital invitation, you may choose from one of four different designs. The invitation will be personalized with name, date, age, time and rsvp information. The file will be emailed to you. You can have this invitation printed or send it digitally to your invitees. The cost is \$10.00. We do not print invitations.
